About Mark S. Meland

Mark S. Meland co-founded the firm in 1993 with Peter D. Russin. He is an accomplished real estate lawyer with a diverse client base representing financial institutions, private investors, lenders, real estate developers and multi-family housing developers. He is also an accomplished corporate and transactional lawyer providing general corporate services to the firm's corporate clients.

Mark represents developers, building condominium projects, converting to condominium form of ownership, acquiring fractured condominium projects, lenders financing development projects and purchasers of debt and distressed projects. His representation of developers and investors also includes preparation and modification of condominium and homeowner association documents, and related state and federal filings.

Mark's practice also involves distressed corporate and real estate matters, including workouts and bankruptcy for those negatively affected by the market or seeking to capitalize on the distressed market by acquiring debt or equity positions. Mr. Meland acts as a court appointed Receiver for numerous entities and is an approved Chapter 11 Bankruptcy Trustee for numerous high profile companies.

Additionally, Mark represents individuals and businesses seeking to obtain capital for corporate and real property transactions. He represents medical office, hotel, condominium, commercial and residential developers, buyers and sellers. His lender representation includes both commercial and residential loan workouts and the financing of real estate acquisition and construction.

His practice further entails examination of title and general corporate representation, including the formation of corporations, limited liability companies and partnerships, drafting of partnership, operating and shareholder agreements.

Mark serves as general counsel and participates on advisory boards and boards for numerous businesses and charitable organizations.
